TOSCANA CARTE PREGIATE

LA NUOVA COLLEZIONE CHRISTMAS 2020

KARTOS è lieta di presentare CHRISTMAS 2020. La nuova collezione di carte decorative e carte regalo presenta molte novità e si caratterizza per una diversa organizzazione dei suoi contenuti, oggi razionalizzati in tre grandi categorie: PRESTIGE, FANTASY e TINTA UNITA. La nuova classificazione è pensata per garantire una migliore fruibilità del catalogo ed una maggiore possibilità di apprezzare la cura con la quale è stata realizzata la nostra selezione creativa. Tradizione e innovazione magistralmente armonizzate rappresentano le tre linee carta firmate KARTOS, rigorosamente made in Tuscany.

LA NOSTRA STORIA

TOSCANA CARTE PREGIATE, decide di non disperdere un patrimonio, prima Toscano poi Italiano nel corso del 2012 acquisendo il marchio KARTOS, con l'intento di riaffermare il successo dello storico brand su un mercato che per oltre 50 anni aveva conosciuto KARTOS come leader del settore cartotecnico e del packaging in Italia e nel Mondo.

TOSCANA CARTE PREGIATE mantiene le proprie radici nel cuore della Toscana e i suoi prodotti rispettano ancora oggi le caratteristiche di alta artigianalità che hanno contraddistinto KARTOS, coniugando arte, tradizione e contemporaneità. Dai disegni della serie GOLD con le preziose stampe decorate con polvere d'oro, a quelli ispirati alle più attuali correnti grafiche. Dai quaderni alle rubriche, dai blocchi ai piccoli accessori, dalle carte per rivestire, fasciare, decorare, alle carte regalo, alle borse, dalle classiche carte per scrittura, alle pergamene, ai biglietti augurali; questo era ed è l'universo in cui TOSCANA CARTE PREGIATE opera con immutata attenzione e professionalità.

Da sempre i materiali utilizzati sono garantiti nel rispetto dell'ambiente; le carte, tutte di alta qualità, alcune delle quali formulate esclusivamente per i prodotti KARTOS, provengono da Aziende Italiane certificate.

Creatività, passione, competenza, senso etico, evoluzione, attenzione alle nuove tendenze, sono oggi le caratteristiche che distinguono chi opera in TOSCANA CARTE PREGIATE. Un'organizzazione snella e dinamica attenta alle esigenze del cliente. Un team che mette sempre al centro del proprio lavoro la qualità e la cura dei prodotti ed opera con l'immutata professionalità che ha sempre distinto il marchio KARTOS.

THE NEW CHRISTMAS COLLECTION 2020

KARTOS is pleased to present CHRISTMAS 2020. The new collection of decorative and gift paper has many new features and is characterized by a different organization of its contents, now divided into three broad categories: PRESTIGE, FANTASY and TINTA UNITA. The new classification is designed to ensure better usability of the catalog and greater possibility for appreciating the care with which our creative selection was made. Tradition and innovation, masterfully harmonized, represent the three paper lines by KARTOS, strictly made in Tuscany.

OUR HISTORY

TOSCANA CARTE PREGIATE decides, in 2012, not to lose a heritage, that is first Tuscan then Italian, by acquiring the brand KARTOS, with the intent of reaffirming the success of the historic brand in a market that for over 50 years had known KARTOS as the leader of the paper and packaging industry in Italy and the world.

TOSCANA CARTE PREGIATE, maintains its roots in the heart of Tuscany, the centuries-old cradle of the noblest paper tradition, and its products respect, still today, the characteristics of the high craftsmanship that have distinguished KARTOS, by combining art, tradition and contemporaneity. From the GOLD series designs with precious prints decorated with gold dust powder, to those inspired by the most current graphics. From notebooks to address books, from block notes, to small accessories, from paper that cover, wrap or decorate objects to gift wrapping paper, from bags to classic writing papers, from parchments to greeting cards; this was and is the universe in which TOSCANA CARTE PREGIATE works with unchanged attention and professionalism.

The materials used have always been guaranteed to respect the environment; the paper, which are all high quality (some of which are formulated exclusively for KARTOS products), come from certified Italian companies. Creativity, passion, competence, ethical sense, evolution, attention to new trends, are today the characteristics that distinguish those who work at TOSCANA CARTE PREGIATE.

A streamlined and dynamic organization attentive to the needs of the customer, which always puts, at the center of its activity, the quality and care of its products and works with the unchanged professionalism that has always distinguished the brand KARTOS.

PRESTIGE

Rappresenta la nostra collezione di alta gamma, un assortimento di carte raffinate dove spiccano l'attenzione, l'accuratezza dei dettagli e le preziose finiture: dal pregiato tocco classico dell'oro in polvere che ricorda le lavorazioni degli artigiani fiorentini del Rinascimento, alle serigrafie a contrasto che conferiscono tratti di estrema modernità, tutto è pensato per garantire un'alta percezione di stile e qualità. I supporti cartacei formulati in esclusiva per KARTOS, morbidi e piacevoli al tatto ma anche resistenti e facili da lavorare, sono ideali sia per la realizzazione di eleganti confezioni regalo che per le più svariate applicazioni decorative.

PRESTIGE

The prestige collection represents our high-end collection, an assortment of refined paper where attention, accuracy of details and precious finishing stand out: from the fine classic touch of gold powder, reminiscent of the workmanship of the Florentine artisans of the Renaissance, to the contrasting silk-screen prints that provide characteristics of extreme modernity, everything is designed to ensure a high perception of style and quality. The types of paper formulated exclusively for KARTOS, soft and pleasant to the touch but also durable and easy to work with, are ideal for both the creation of elegant gift packages and the most varied decorative applications.

FANTASY

Questa collezione si caratterizza per il dinamismo e l'ampia gamma di soggetti adatti a tutte le occasioni: colori e fantasie in linea con il trend, fresche interpretazioni con piccoli disegni, eleganti grafiche classiche e divertenti illustrazioni da dedicare ai più piccoli. Queste carte, stampate con colori speciali su una vivace carta patinata di alta qualità, si prestano a rivestire ogni tipo di regalo. La selezione di queste carte regalo copre ogni tipo di esigenza.

FANTASY

The Fantasy collection is characterized by the dynamism and wide range of subjects suitable for all occasions: colors and patterns in line with the trend, fresh interpretations with small designs, elegant classic graphics and funny illustrations to dedicate to the little ones. These papers, printed in special colors, lend themselves to wrap all kinds of gifts. The selection of these gift wrapping papers covers every type of need.

TINTA UNITA

Particolarmente resistenti e indicate per il confezionamento, queste carte vengono stampate su due supporti cartacei diversi. Colori pastello e tinte brillanti vengono stampate su carta patinata di qualità superiore, mentre i colori opachi, stampati a doppio passaggio, caratterizzano le finiture realizzate sulla base mossa del kraft sealing creando una superficie quasi vellutata. Particolarmente preziose e peculiari le tre tonalità oro, argento e rame che vengono impresse su entrambi i supporti cartacei.

TINTA UNITA

Particularly durable and suitable for packaging, these papers are printed on two different types of paper. Pastel and bright colors are printed on high quality glossy paper. While the opaque, double printed, colors characterize the finish created on the wavy base of the brown sealing creating an almost velvety surface. Particularly precious and peculiar are the three shades of gold, silver and copper that are imprinted on both types of paper.
